#### THE FIFTH SCHEDULE

[see section 18(1A)]

## Part-I

# Imports of Plant, Machinery, Equipment and Apparatus, including Capital Goods for various industries/sectors

Note: - For the purposes of this Part, the following conditions shall apply, besides the conditions as specified in column (5) of the Table below:-

(i). the imported goods as are not listed in the locally manufactured items, notified through a Customs General Order issued by the Federal Board of Revenue (FBR) from time to time or, as the case may be, certified as such by the Engineering Development Board:

Provided that the condition of "local manufacturing" shall not be applicable on import of machinery, equipment and other capital goods imported as plant for setting up of a new power unit of 25 MW and above duly certified by Ministry of Water and Power in respect of those power projects which are on IPP mode meant for supply of electricity to national grid;

Provided further that condition of local manufacturing shall not be applicable for a period of three years, commencing on 1st July, 2018 and ending on 30th June, 2021, against Sr.No.12 of Table under Part-I of Fifth Schedule to the Customs Act, 1969, on import of machinery, equipment and other capital goods imported for new private transmission lines projects under the valid contract (s) or letter (s) of credit and the total C&F value of such imports for the project is US \$ 50 million or above duly certified by the Ministry of Energy (Power Division);

- (ii) except for S. Nos. 1(H), 14, 20,21 and 22 of the Table, the Chief Executive, or the person next in hierarchy duly authorized by the Chief Executive or Head of the importing company shall certify in the prescribed manner and format as per Annex-A that the imported items are the company's *bona fide* requirement. He shall furnish all relevant information online to Pakistan Customs Computerized System against a specific user ID and password obtained under section 155D of the Customs Act, 1969 IV of 1969). In already computerized Collectorates or Customs stations where the Pakistan Customs Computerized System is not operational, the Director Reforms and Automation or any other person authorized by the Collector in this behalf shall enter the requisite information in the Pakistan Customs Computerized System on daily basis, whereas entry of the data obtained from the customs stations which have not yet been computerized shall be made on weekly basis;
- (iii) in case of partial shipments of machinery and equipment for setting up a plant, the importer shall, at the time of arrival of first partial shipment, furnish complete details of the machinery, equipment and components required for the complete plant, duly supported by the contract, lay out plan and drawings; and
- (iv) For "Respective Headings" entries in column (3) of the Table against which more than one rate of customs duty has been mentioned in column (4), the rate of 3% or 11% shall be applicable only for such goods which are chargeable to 3% or 11% duty under the First Schedule to Customs Act, 1969.

**Explanation.**-Capital Goods mean any plant, machinery, equipment, spares and accessories, classified in Chapters 84, 85 or any other chapter of the Pakistan Customs Tariff, required for-

- (a) the manufacture or production of any goods, and includes refractory bricks and materials required for setting up a furnace, catalysts, machine tools, packaging machinery and equipment, refrigeration equipment, power generating sets and equipment, instruments for testing, research and development, quality control, pollution control and the like; and
- (b) use in mining, agriculture, fisheries, animal husbandry, floriculture, horticulture, livestock, cool chain, dairy and poultry industry;
